### 2. EXEMPTION STATEMENT

In the U.S., this product is regulated under the regulations of the Food, Drug & Cosmetic Act. It is not a hazardous substance as that term is defined by the OSHA Hazard Communication Standard, 29 CFR §1910.1200 and MSDSs are not required for this type of product. You are not required to obtain and provide employees with a Material Safety Data Sheet for this product.

MSDSs are not required for food, drugs and cosmetics in accordance with OSHA's regulations at 29 CFR §1910.1200(b)(6)(vi), (vii) and (viii).

In Canada, this product is regulated under the Food and Drug Act and does not require an MSDS to be transmitted.

You may be sure that every effort is made to provide customers with a product which is properly labeled and safe for its intended use. It is the user's responsibility to determine safe conditions for use of this product and assume liability for loss, injury, damage or expense resulting from any misuse of the product.
