" Prostat Ave "
Wild Cherry

Thank you for contacting Nutricia North America regarding the products that you purchase from Nutricia North America including Pro-Stat.

Nutricia North America does not manufacture or distribute pharmaceutical products. Nutricia is a medical nutrition company specializing in medical foods used in the pediatric and adult populations. MSDS are not relevant for medical foods.

We (Nutricia North America) can provide the nutritional breakdown of products directly to our customers should they not already have this information, or if they require specific assistance as to the usage of our products.

We hope this information is useful to you. Please do not hesitate to contact us if you have further questions.

Were we helpful? Take this quick 5 question survey to tell us.
