

SAFETY DATA SHEET

1. Identification of the Substances/Preparation and of the Company/Undertaking

Product Details

Product Name: Lip Moisturizer (All Flavors) #LB0
Manufacturer/ Supplier: Hit Promo, LLC
420 Benigno Blvd., Bellmawr, NJ 08031
Tel: 856-931-7300
Fax: 856-931-7384

2. Hazards Identification

GHS classification: This material is not considered hazardous under 29 CFR 1910.

Human health hazards:

Inhalation: Not generally harmful. Certain individuals may have allergic reactions to natural oils and flavorings.
Ingestion: Not generally harmful. Certain individuals may have allergic reactions to natural oils and flavorings.
Skin contact: Not generally harmful. Certain individuals may have allergic reactions to natural oils and flavorings.
Eye contact: May be irritating.
Potential chronic health effects: No information found.
Environmental hazards: No hazards to environment under normal use.

3. Composition/Information on Ingredients

There are no chemicals present which are hazardous within the meaning of the GHS and present above the cutoff levels.

Chemical characterization: Vegetable oils and beeswax, natural color and flavors, Vitamin E.*

*Specific chemical identity and/or percentage may be withheld to protect trade secrets.

4. First-Aid Measures

Eye contact: Treatment not generally needed.
Skin contact: Treatment not generally needed.
Inhalation: Treatment not generally needed.
Ingestion: Treatment not generally needed.

5. Fire-Fighting Measures

Fire: Combustible solid.
Suitable extinguishing media: Use media suitable for surrounding fire.
Specific hazards arising from the chemical: None known.
Special fire-fighting precaution/instructions: Full protective clothing and self-contained breathing apparatus must be worn in case of fire.

6. Accidental Release Measures

No need to recover spilled product. Product is combustible.

7. Handling and Storage

Keep in a tightly closed container, stored in a cool, dry, ventilated area. Protect against physical damage.

8. Exposure Controls/Personal Protection

Occupational exposure limits: None of the ingredients have occupational exposure limits.

Biological limit values: No biological exposure limits noted for ingredients.

Appropriate engineering controls: None needed under normal use.

Individual protection measures: None needed.

9. Physical and Chemical Properties

Physical state: Solid

Color: Opaque and various colors

Odor: Various dependent on flavor

pH: N/A

Melting point/range: 48-58°C (118-136°F)

Boiling point/range: Not determined

Percent volatility: N/A

Flash point: Not determined

Vapor pressure: Not determined

Vapor density: Not determined

Relative density: Not determined

Solubility in water: Not soluble in water

10. Stability and Reactivity

Chemical stability: Stable

Possibility of hazardous reactions: None known

Conditions to avoid: No significant reactivity hazards

Incompatible materials: Strong acids, strong bases, strong oxidizers

Hazardous decomposition products: None known

11. Toxicological Information

Potential Health Effects

Inhalation: None known under normal use.

Eye: Irritation may occur

Skin: None known under normal use.

Ingestion: None known under normal use.

Target Organs: None known

Primary routes of exposure: Skin

Potential effects of chronic exposure: None known

Carcinogenicity: Product contains no known carcinogenic materials

Irritation/sensitization: Product contains no known sensitizing materials

Mutagenicity: Product contains no known mutagens

Reproductive toxicity: Product contains no known substances toxic to reproductive organs

12. Ecological Information

Potential effect on environment: Use in accordance with instructions, this product is not expected to cause environmental contamination. This product is biodegradable.

Bioaccumulative potential: This product is not expected to bioaccumulate.

Ecotoxicity: Not determined

Mobility in soil: Not determined

13. Disposal Considerations

Waste disposal property: Non-hazardous waste

Waste disposal methods: Disposal as ordinary household trash in sanitary landfill

14. Transportation Information

Department of Transportation (DOT): Not regulated for transport or dangerous goods

Land transport ADR/RID: Not regulated for transport or dangerous goods

Maritime transport IMDG: Not regulated for transport or dangerous goods

Air transport IATA/ICAO: Not regulated for transport or dangerous goods

Special precautions: None

15. Regulatory Information

TSCA Inventory Status: All of the ingredients in this product are listed on the TSCA inventory

OSHA: None of the ingredients in this product are considered highly hazardous by OSHA

16. Other Information

Issue date: July 1, 2017

Version No.: 1

DISCLAIMER: Although the information and recommendations set forth herein (hereinafter "Information") are presented in good faith and believed to be correct as of the date hereof, the Company makes no representations as to the completeness or accuracy thereof. Information is supplied upon the condition that the persons receiving this SDS will make their own determination as to its suitability for their intended purposes prior to use. Since the product is within the exclusive control of the user, it is the user's obligation to determine the conditions of safe use of this product. Such conditions should comply with all Federal Regulations concerning the Product. It must be recognized that the physical and chemical properties of any product may not be fully understood and that new, possibly hazardous products may arise from reactions between chemicals. The information given in this data sheet is based on our present knowledge and shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OF ANY OTHER NATURE ARE MADE HEREUNDER WITH RESPECT TO INFORMATION OR THE PRODUCT TO WHICH INFORMATION REFERS.
